11. **Changes to the Statutes and Rules of Procedure**
The proposed changes of the Statutes and Rules of Procedure (see pages 2-3 of Executive Committee's Report, 1985-1987) were passed unanimously with one amendment. In the new clause 2.2.: "The Association, as a matter of policy, condemns the violation of the human rights (as defined by the Charter of the United Nations) of any individual, group or nation." – the wording in brackets was deleted as being self-evident.

It was further unanimously agreed that the new Executive Committee should be instructed to outline new Statutes and Rules of Procedure based on the proposals of the outgoing Executive Committee (see pages 3-4 of Executive Committee's Report, 1985 -1987) till the next General Meeting.

During the course of the International Conference in Ghana, a feeling emerged that it would be appropriate for the organization to be able to honour individuals who have given exemplary service to the development of popular music. It was felt that the power to do this should be vested in the Association's General Meeting. It was equally felt, however, that any recommendation to so honor an individual should be discussed thoroughly within the ranks of the Association before being brought to a General Meeting. As a consequence it was moved by John SHEPHERD and seconded by Philip TAGG that the following clause 7.7. be added to the Statutes: "A General Meeting or an Extraordinary General Meeting may, at its discretion, elect individuals as honorary life members in recognition of those individuals service to the world of popular music and to the Association. Such election will be by simple majority vote." The motion was passed unanimously.

12. **Report on Location of Fifth International Conference on Popular Music Studies, 1989**

This invitation was accepted unanimously.

15. **Any Other Business**
It was moved by John SHEPHERD and seconded by Peter WINKLER that the General Meeting instruct the Executive Committee to investigate the possibility of collaborating with various governments of the world to insure the ethical and responsible use of popular music materials in the pursuit of research. This motion was passed unanimously. The General Meeting took note of a series of suggestions made by Professor NKETIA regarding the improvement of musical life in Ghana. It was the feeling of the meeting that the Executive Committee should explore ways in which the Association could assist in the realisation of these suggestions.

It was recommended by Philip TAGG that the Executive Committee be instructed to consider ways of producing and distributing cassettes of music which otherwise would only be accessible with the greatest difficulties. Marcus BREEN, recommended the development of cassettes containing popular music materials for educational and curriculum development purposes.

It was moved by John SHEPHERD and seconded by Philip TAGG that under clause 7.7. of the Statutes and Rules of Procedure **Professor Kwabena NKETIA** and **KOO NEMO** (the President of the Musicians Union of Ghana) be elected **honorary life members** of the Association. It was then moved by Stan RIJVEN and seconded by Fleming HARSEV that

John COLLINS be elected an honorary life member of the Association. Both motions were passed by acclamation.
